Rose Espinoza, La Habra City Council Member since 2000, and founder of nationally known Rosie's Garage, announces her candidacy for the Fourth Supervisor District of Orange County. Rose is a life long resident of both La Habra and the Fourth Supervisorial District.

Rose's leadership in developing Rosie's Garage has been described as a model for communities nationwide. Rosie's Garage has been profiled by the OC Register, which named Rose among the "100 People Who Shaped Orange County", and OC Metro Magazine for its "10 Women Making a Difference" award. She was presented with President Clinton's "Presidential Service Award" under his "Points of Light" program as well as the "Washington DC Caring Award". North Orange County Magazine named Rose one of the county's "25 Influential People". In addition, she received the Hispanic Business Woman of the Year Award, was named to the NAWBO Hall of Fame and profiled in the "O" Oprah Magazine.

Rose will encourage: job innovation and job relocation to Orange County; new and better roads and freeways; the best training and equipment possible for our police and fire-fighters; stronger teacher training programs; and green energy programs to inspire real economic growth and prosperity.

Rose understands that business, government, charities, nonprofit groups like Rosie's Garage, and ordinary citizens need to work together to provide solutions that improve our lives and rejuvenate our economy.

Rose is proud to announce some of the growing numbers of elected officials and citizen activists who have endorsed her campaign. They include:

Tony Mendoza, State Assembly Member, 56th District

Alberto Torrico, State Assembly, Majority Leader, 20th District
